Accelerated Route to Fellowship Program

The Accelerated Route to Fellowship Programme is a training programme designed for senior practitioners in the field of dispute resolution.

The three-day program is a process comprised of three elements:

1. **Oral Assessment**
   
   This element of the Accelerated Route to Fellowship Programme consists of two days of oral assessment based on a case study of a dispute. Participants will be assessed on their knowledge, judgment and self-presentation on a series of problems, written exercises and role play, as well as their reasoned award writing ability.

2. **Written Assessment.**

   Written assignments will be part of the assessment process during the workshop.

3. **Award Writing Examination**
   
   This element consists of a written open book examination in which an Award must be written and fully reasoned, based on the evidence in an arbitration proceeding. The exam is administered as part of this weekend program. To receive a passing grade, the Award must meet international standards for enforcement.
